POINTS, QUALIFICATIONS, AND YEAR-END AWARDS

Riders and/or owners/account holders are ultimately responsible for ensuring their horses have proper registration to compete in USEA recognized events.

For Year-End Awards, the USEA has established a cut-off date of November 15th for inquiries about horse and rider competitive records.

While we make every attempt to ensure the accuracy of our members' competitive records, we realize that errors do occur. It is the responsibility of every owner/rider/account holder to verify their horse's record. This may be done using the Horse Search on the website at www.useventing.com, under the Competitions section, or through the USEA Online Services Dashboard.

Any questions regarding competition records can be directed to results@useventing.com.

NOTE: The registration of the named horse with the United States Eventing Association (USEA) is for competition purposes only, and the registration does not indicate the legal Status of ownership of, or liability for, said horse. USEA accepts no liability for the accuracy of the registered details which information is intended for its own sole use and benefit, and does not decide, resolve, or become involved in ownership disputes.
